

The Pro-Flex sweep's indestructible design will make it the last sweep you will ever buy!

Pro-Flex Sweep Assembly

Remove lock nuts from broom assembly

Place scraper over bolts

Place handle connector over bolts and tighten lock nuts securely

44553

Pro-Flex™ Sweep - Quick Assembly and Unbreakable!

Utilizing an advanced polymer technology, the Pro-Flex Sweep's unique handle/sweep connector flexes on impact, providing unbelievable shock absorbency... and it's unbreakable! Ideal for the most demanding applications.

Easy-to-Assemble: The quick and easy-to-assemble T-knob construction **takes less than 1 minute to assemble.** Unique hex drive bolts stay securely in place.

More Maneuverable: Without the need for a brace, the Pro-Flex Sweep is lighter, easy to maneuver and eliminates potential damage to low surface areas.

Unbreakable: The patented, flexible handle/sweep connector absorbs shock and flexes on impact while other sweeps may break.

Pro-Flex... the strongest sweep on the market and the easiest to assemble!

Flexible connection makes these sweeps the strongest on the market!

Pro-Flex Sweeps - Hardwood Block.

Maintenance

For the Professional/Contractor

Floor Sweeps

Choose from flagged tips that pick-up fine dust and dirt to durable fibers that sweep heavy, caked dirt and debris. The lacquered hardwood blocks resist moisture and help prevent cracking, thereby increasing brush life.

Did you know we offer Recycled Floor Sweeps? See page 19 for details!

Floor Sweeps - Laquered Hardwood Block - Use handle #44300 or #44018.
